# **ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

---

This Admissions and Continued Occupancy Policy defines the Bedford Township Housing Commission's policies for the operation for the Public Housing Program, incorporating Federal, State and local law. If there is any conflict between this policy and laws or regulations, the laws and regulations will prevail.

## **1.0 FAIR HOUSING**

It is the policy of the Bedford Township Housing Commission to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity. The Bedford Township Housing Commission shall affirmatively further fair housing in the administration of its public housing program.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Bedford Township Housing Commission's programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Bedford Township Housing Commission will provide Federal/State/local information to applicants/tenants of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Bedford Township Housing Commission office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The Bedford Township Housing Commission will assist any family that believes they have suffered illegal discrimination by providing them copies of the appropriate housing discrimination forms. The Bedford Township Housing Commission will also assist them in completing the forms if requested, and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity.

## **2.0 REASONABLE ACCOMMODATION**

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Bedford Township Housing Commission housing programs and related

services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Bedford Township Housing Commission will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Bedford Township Housing Commission will ensure that all applicants/tenants are aware of the opportunity to request reasonable accommodations.

## **2.1 COMMUNICATION**

Anyone requesting an application will also receive a Request for Reasonable Accommodation form.

Notifications of reexamination, inspection, appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the tenant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests for reasonable accommodations will be in writing.

## **2.2 QUESTIONS TO ASK IN GRANTING THE ACCOMMODATION**

- A. Is the requestor a person with disabilities? For this purpose the definition of person with disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition).

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the Bedford Township Housing Commission will obtain verification that the person is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Bedford Township Housing Commission will obtain

documentation that the requested accommodation is needed due to the disability. The Bedford Township Housing Commission will not inquire as to the nature of the disability.

C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:

7. 1. Would the accommodation constitute a fundamental alteration? The Bedford Township Housing Commission's business is housing. If the request would alter the fundamental business that the Bedford Township Housing Commission conducts, that would not be reasonable. For instance, the Bedford Township Housing Commission would deny a request to have the Bedford Township Housing Commission do grocery shopping for a person with disabilities.

8.

9. 2. Would the requested accommodation create an undue financial hardship or administrative burden? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the Bedford Township Housing Commission may request a meeting with the individual to investigate and consider equally effective alternatives.

D. Generally the individual knows best what it is they need; however, the Bedford Township Housing Commission retains the right to be shown how the requested accommodation enables the individual to access or use the Bedford Township Housing Commission's programs or services.

If more than one accommodation is equally effective in providing access to the Bedford Township Housing Commission's programs and services, the Bedford Township Housing Commission retains the right to select the most efficient or economic choice.

7. If the tenant requests as a reasonable accommodation that they be permitted to make physical modifications at their own expense, the Bedford Township Housing Commission will generally approve such request if it does not violate codes or affect the structural integrity of the unit.

Any request for an accommodation that would enable a tenant to materially violate essential lease terms will not be approved, i.e. allowing nonpayment of rent, destruction of property, disturbing the peaceful enjoyment of others, etc.

### **3.0 SERVICES FOR NON-ENGLISH SPEAKING APPLICANTS AND RESIDENTS**

The Bedford Township Housing Commission will endeavor to have bilingual staff or access to people who speak languages other than English.

### **4.0 FAMILY OUTREACH**

The Bedford Township Housing Commission will publicize the availability and nature of the Public Housing Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach people who cannot or do not read the newspapers, the Bedford Township Housing Commission will distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The Bedford Township Housing Commission will also try to utilize public service announcements.

The Bedford Township Housing Commission will communicate the status of housing availability to other service providers in the community and inform them of housing eligibility factors and guidelines so they can make proper referrals for the Public Housing Program.

## **7.0 TAKING APPLICATIONS**

Families wishing to apply for the Public Housing Program will be required to complete an application for housing assistance. Applications will be accepted during regular business hours at:

Bedford Township Housing Commission  
8745 Lewis Avenue  
Temperance, MI 48182

Applications are taken to compile a waiting list. Due to the demand for housing in the Bedford Township Housing Commission jurisdiction, the Bedford Township Housing Commission may take applications on an open enrollment basis, depending on the length of the waiting list.

Completed applications will be accepted for all applicants and the Bedford Township Housing Commission will verify the information.

Applications may be made in person at the Bedford Township Housing Commission on Monday through Friday from 8:30 to 12:00 p.m. and 1:00 p.m. to 5:00 p.m. Applications will be mailed to interested families upon request.

The completed application will be dated and time stamped upon its return to the Bedford Township Housing Commission.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Bedford Township Housing Commission to make special arrangements. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is (734) 847-3950.

The application requires the family to provide limited basic information establishing any preferences to which they may be entitled. This results in the family's placement on the waiting list.

Upon receipt of the family's application, the Bedford Township Housing Commission will make a preliminary determination of eligibility. The Bedford Township Housing Commission will notify the family in writing of the date and time of placement on the waiting list, and the approximate wait before housing may be offered. If the Bedford Township Housing Commission determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The Bedford Township Housing Commission will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be confirmed with the family in writing.

The final determination of eligibility takes place when the family nears the top of the waiting list. The Bedford Township Housing Commission will ensure that verification of all preferences, eligibility, suitability and selection factors are current in order to determine the family's final eligibility for admission into the Public Housing Program.

## **9.0 MANAGING THE WAITING LIST**

### **9.1 *OPENING AND CLOSING THE WAITING LIST***

Opening of the waiting list will be announced with a public notice stating that applications for public housing will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program and such applicants will not lose their place on other waiting lists when they apply for public housing. The notice will include the Fair Housing logo and slogan and will be in compliance with Fair Housing requirements.

Closing of the waiting list will also be announced with a public notice. The public notice will state the date the waiting list will be closed and for what bedroom sizes. The public notice will be published in a local newspaper of general circulation and also by any available minority media.

## **9.2 ORGANIZATION OF THE WAITING LIST**

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of bedroom size, preference, and then in order of date and time of application; and
- C. Any contacts between the Bedford Township Housing Commission and the applicant will be documented in the applicant file.

## **9.3 FAMILIES NEARING THE TOP OF THE WAITING LIST**

When a family appears to be nearing the top of the waiting list, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Bedford Township Housing Commission must notify the family in writing of this determination and give the family the opportunity for an informal review.

## **9.4 PURGING THE WAITING LIST**

The Bedford Township Housing Commission will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents the interested families for whom the Bedford Township Housing Commission has current information, i.e. applicant's address, family composition, income category, and preferences.

## **9.5 REMOVAL OF APPLICANTS FROM THE WAITING LIST**

The Bedford Township Housing Commission will not remove an applicant's name from the waiting list unless:

- A. The applicant requests in writing that the name be removed;

- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program; or
- C. The applicant does not meet either the eligibility or suitability criteria for the program.

## **9.6 MISSED APPOINTMENTS**

All applicants who fail to keep a scheduled appointment with the Bedford Township Housing Commission will be sent a notice of termination of the process for eligibility.

The Bedford Township Housing Commission will allow the family to reschedule for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists for missing an appointment, the Bedford Township Housing Commission will work closely with the family to find a more suitable time. Applicants will be offered the right to an informal review before being removed from the waiting list.

## **9.7 NOTIFICATION OF NEGATIVE ACTIONS**

Any applicant whose name is being removed from the waiting list will be notified by the Bedford Township Housing Commission, in writing, that they have ten (10) calendar days from the date of the written correspondence to present mitigating circumstances or request an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The Bedford Township Housing Commission system of removing applicant names from the waiting list will not violate the rights of persons with disabilities. If an applicant claims that their failure to respond to a request for information or updates was caused by a disability, the Bedford Township Housing Commission will verify that there is in fact a disability and the disability caused the failure to respond, and provide a reasonable accommodation. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

# **10.0 TENANT SELECTION AND ASSIGNMENT PLAN**

## **10.1 PREFERENCES**

The Bedford Township Housing Commission will select families based on the following preferences within each bedroom size category:

- A. Elderly, handicapped, and disabled applicants who live, work or have been hired to work in the Town of Bedford who fit into one of the following categories:

1. Applicant lives in substandard housing. This means your household lives in a unit with serious health code violations which endangers the health or safety of household members. A household who lives in a temporary or homeless shelter also is considered to be living in substandard housing.
  2. Applicant is being involuntarily displaced through government action or whose dwelling unit has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal Disaster Relief Laws.
  3. Applicant is paying more than 50% of gross monthly income (before taxes and deductions) for rent and utilities (rent burden).
  4. Applicant is a victim of domestic violence.
- B. Elderly, handicapped, and disabled non-resident applicants (as defined in A above) who qualify for one of the above four categories.
- C. Elderly, handicapped, and disabled applicants who live, work or have been hired to work in the Town of Bedford. This applicant would not qualify for one of the above four categories.
- D. Elderly, handicapped, and disabled non-residents (as defined in C above) who do not qualify for one of the four categories above.
- E. Near Elderly applicant (age 50-62) who is a Bedford Township resident and qualifies for one of the four categories above.
- F. Near Elderly applicant who does not qualify as a resident, but qualifies for one of the four categories above.

- M. All other applicants.

Based on the above preferences, all families in preference A will be offered housing before any families in preference B, and preference B families will be offered housing before any families in preference C and so on.

The date and time of application will be noted and utilized to determine the sequence within the above prescribed preferences.

## **10.2 ASSIGNMENT OF BEDROOM SIZES**

The following guidelines will determine each family's unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
1	1	2
2	2	4

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. Zero bedroom units will only be assigned to one-person families. Two adults will share a bedroom unless related by blood.

In determining bedroom size, the Bedford Township Housing Commission will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children who are temporarily away at school, or children who are temporarily in foster-care.

In addition, the following considerations may be taken in determining bedroom size:

- A. Children of the same sex will share a bedroom.
- B. Children of the opposite sex, both under the age of 5, will share a bedroom.
- C. Adults and children will not be required to share a bedroom.
- D. Foster adults and/or foster children will not be required to share a bedroom with family members.

Exceptions to normal bedroom size standards include the following:

- A. Units smaller than assigned through the above guidelines – A family may request a smaller unit size than the guidelines allow. The Bedford Township Housing Commission will allow the smaller size unit so long as generally no more than two (2) people per bedroom are assigned. In such situations, the family will sign a certification stating they understand they will be ineligible for a larger size unit for 3 years or until the family size changes, whichever may occur first.
- B. Units larger than assigned through the above guidelines – A family may request a larger unit size than the guidelines allow. The Bedford Township Housing Commission will allow the larger size unit if the family provides a verified medical need that the family be housed in a larger unit.
- C. If there are no families on the waiting list for a larger size, smaller families may be housed if they sign a release form stating they will transfer (at the family's own expense) to the appropriate size unit when an eligible family needing the larger unit applies. The family transferring will be given a 30-day notice before being required to move.
- D. Larger units may be offered in order to improve the marketing of a development suffering a high vacancy rate.

### ***10.3 SELECTION FROM THE WAITING LIST***

The Bedford Township Housing Commission shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To insure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it

appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

#### **10.4 DECONCENTRATION POLICY**

It is the Bedford Township Housing Commission's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Bedford Township Housing Commission will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

#### **10.5 OFFER OF A UNIT**

When the Bedford Township Housing Commission discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income targeting goal.

The Bedford Township Housing Commission will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given five (5) business days from the date the letter was mailed to contact the Bedford Township Housing Commission regarding the offer.

The family will be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have two (2) business days to accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit,

the Bedford Township Housing Commission will send the family a letter documenting the offer and the rejection.

#### **10.6 REJECTION OF UNIT**

If in making the offer to the family the Bedford Township Housing Commission skipped over other families on the waiting list in order to meet their deconcentration goal or offered the family any other deconcentration incentive and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the Bedford Township Housing Commission did not skip over other families on the waiting list to reach this family, did not offer any other deconcentration incentive, and the family rejects the unit without good cause, the family will forfeit their application's date and time after the third rejection. The family will keep their preferences, but the date and time of application will be changed to the date and time the third unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

#### **10.7 ACCEPTANCE OF UNIT**

The family will be required to sign a lease that will become effective no later than three (3) business days after the date of acceptance or the business day after the day the unit becomes available, whichever is later.

Prior to signing the lease, all families (head of household) and other adult family members will be required to attend the Lease and Occupancy Orientation when they are initially accepted for occupancy. The family will not be housed if they have not attended the orientation. Applicants who provide prior notice of an inability to attend the orientation will be rescheduled. Failure of an applicant to attend the orientation, without good cause, may result in the cancellation of the occupancy process.

The applicant will be provided a copy of the lease, the grievance procedure, utility allowances, utility charges, and the current schedule of routine maintenance charges. These documents will be explained in detail. The applicant will sign a certification that they have received these documents and that they have reviewed them with Housing Commission personnel. The certification will be filed in the tenant's file.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the Bedford Township Housing Commission will retain the original executed lease in the tenant's file. A copy of the grievance procedure will be attached to the resident's copy of the lease.

The family will pay a security deposit at the time of lease signing. The security deposit will be equal to the Total Tenant Payment or \$100.00 whichever is greater.

In the case of a move within public housing, the security deposit for the first unit will be transferred to the second unit. Additionally, if the security deposit for the second unit is greater than that for the first, the difference will be collected from the family. Conversely, if the security deposit is less, the difference will be refunded to the family.

In the event there are costs attributable to the family for bringing the first unit into condition for re-renting, the family shall be billed for these charges.

## **11.0 INCOME, EXCLUSIONS FROM INCOME, AND DEDUCTIONS FROM INCOME**

- 1.
2. To determine annual income, the Bedford Township Housing Commission adds the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Bedford Township Housing Commission subtracts all allowable deductions (allowances) to determine the Total Tenant Payment.

### **11.1 INCOME**

1. Annual income means all amounts, monetary or not, that:
  - A. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; or
  7. B. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
  - C. Are not specifically excluded from annual income.

If it is not feasible to anticipate a level of income over a 12-month period (e.g. seasonal or cyclic income), or the Bedford Township Housing Commission believes that past income is the best

available indicator of expected future income, the Bedford Township Housing Commission may annualize the income anticipated for a shorter period, subject to a redetermination at the end of the shorter period.

1. Annual income includes, but is not limited to:

7. A. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
- 8.
9. B. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.
- 10.
11. C. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD.
- 12.
13. D. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
- 14.
15. E. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)
- 16.

17. F. Welfare assistance

1. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:

- a. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
- b. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.

4. 2. Imputed welfare income

5.

- a. A family's annual income includes the amount of imputed welfare income (because of a specified welfare benefits reduction, as specified in notice to the Bedford Township Housing Commission by the welfare agency) plus the total amount of other annual income.

4.

- b. At the request of the Bedford Township Housing Commission, the welfare agency will inform the Bedford Township Housing Commission in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the Bedford Township Housing Commission of any subsequent changes in the term or amount of such specified welfare benefit reduction. The Bedford Township Housing Commission will use this information to determine the amount of imputed welfare income for a family.

4.

- c. A family's annual income includes imputed welfare income in family annual income, as determined at an interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the Bedford Township Housing Commission by the welfare agency).

4.

- d. The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.
- 4. e. The Bedford Township Housing Commission will not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.
- 4. f. If a resident is not satisfied that the Bedford Township Housing Commission has calculated the amount of imputed welfare income in accordance with HUD requirements, and if the Bedford Township Housing Commission denies the family's request to modify such amount, then the Bedford Township Housing Commission shall give the resident written notice of such denial, with a brief explanation of the basis for the Bedford Township Housing Commission's determination of the amount of imputed welfare income. The Bedford Township Housing Commission's notice shall also state that if the resident does not agree with the determination, the resident may grieve the decision in accordance with our grievance policy. The resident is not required to pay an escrow deposit for the portion of the resident's rent attributable to the imputed welfare income in order to obtain a grievance hearing.
- 4. g. Relations with welfare agencies
  - 1). The Bedford Township Housing Commission will ask welfare agencies to inform it of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the Bedford Township Housing Commission written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.

- 2). The Bedford Township Housing Commission is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the housing authority. However, the Bedford Township Housing Commission is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.
- 3). Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The Bedford Township Housing Commission shall rely on the welfare agency notice to the Bedford Township Housing Commission of the welfare agency's determination of a specified welfare benefits reduction.

7. G. Periodic and determinable allowances, such as alimony, child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.

8.

9. H. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

10.

2. Annual income does not include the following:

A. Income from employment of children (including foster children) under the age of 18 years;

B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);

  - 4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Commission or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, and resident initiatives coordination, and serving as a member of the Bedford Township Housing Commission governing board. No resident may receive more than one such stipend during the same period of time;
  - 5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including

training programs not affiliated with a local government) and training of a family member as resident management staff. 6. Temporary, nonrecurring or sporadic income (including gifts);
7. Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;

For purposes of this exclusion the following definitions apply:
  - a. Comparable Federal, State or local law means a program providing employment training and supportive services that:
    - i. Is authorized by a Federal, State or local law;
    - ii. Is funded by the Federal, State or local government;
    - iii. Is operated or administered by a public agency; and
    - iv. Has as its objective to assist participants in acquiring employment skills.
  - b. Exclusion period means the period during which the family member participates in a program described in this section, plus 18 months from the date the family member begins the first job acquired by the family member after completion of such program that is not funded by public housing assistance under the 1937 Act. If the family member is terminated from employment with good cause, the exclusion period shall end.

- c. Earnings and benefits means the incremental earnings and benefits resulting from a qualifying employment training program or subsequent job.

- 7. 11. The incremental earnings due to employment during a cumulative 12-month period following date of the initial hire shall be excluded. This exclusion (paragraph 11) will not apply for any family who concurrently is eligible for exclusion #10. Additionally, this exclusion is only available to the following families:

8.

- 9. a. Families whose income increases as a result of employment of a family member who was previously unemployed for one or more years.

- 4. During the second cumulative 12-month period after the date of initial hire, 50% of the increased income shall be excluded from income.

5.

The disallowance of increased income of an individual family member is limited to a lifetime 48-month period. It only applies for 12 months of the 100% exclusion and 12 months of the 50% exclusion.

(While HUD regulations allow for the housing authority to offer an escrow account in lieu of having a portion of their income excluded under this paragraph, it is the policy of this housing authority to provide the exclusion in all cases.)

- 12. Deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts;

- 13. Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;

7. 14. Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; or

### ***11.3 DEDUCTIONS FROM ANNUAL INCOME***

The following deductions will be made from annual income:

- 7. A. \$480 for each dependent;
- 8.
- 9. B. \$400 for any elderly family or disabled family;
- 10. C. The sum of the following, to the extent the sum exceeds three % of annual income:
  - 7.
  - 8. Unreimbursed medical expenses of any elderly family or disabled family; and
  - 9.
  - 10. Unreimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with disabilities, to the extent necessary to enable any member of the family (including the member who is a person with disabilities) to be employed, but this allowance may not exceed the earned income received by family members who are 18 years of age or older who are able to work because of such attendant care or auxiliary apparatus.
  - 11.
  - 12. D. Reasonable child care expenses necessary to enable a member of the family to be employed or to further his or her education. This deduction shall not exceed the amount of employment income that is included in annual income.

- B. The Director shall reconcile any difference between the amount reported by the resident and the amount listed in the HUD communication. This shall be done as promptly as possible.
- C. After the reconciliation is complete, the Bedford Township Housing Commission shall adjust the resident's rent beginning at the start of the next month unless the reconciliation is completed during the final five (5) days of the month and then the new rent shall take effect on the first day of the second month following the end of the current month. In addition, if the resident had not previously reported the proper income, the Bedford Township Housing Commission shall do one of the following:
  - 1. Immediately collect the back rent due to the agency;
  - 2. Establish a repayment plan for the resident to pay the sum due to the agency;
  - 3. Terminate the lease and evict for failure to report income; or
  - 4. Terminate the lease, evict for failure to report income, and collect the back rent due to the agency.

### ***11.5 COOPERATING WITH WELFARE AGENCIES***

The Bedford Township Housing Commission will make its best efforts to enter into cooperation agreements with local welfare agencies under which the welfare agencies will agree:

- A. To target assistance, benefits and services to families receiving assistance in the public housing and Section 8 tenant-based assistance program to achieve self-sufficiency; and
- B. To provide written verification to the Bedford Township Housing Commission concerning welfare benefits for families applying for or receiving assistance in our housing assistance programs.

## **12.0 VERIFICATION**

The Bedford Township Housing Commission will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full time student status of family members 18 years of age and older; Social Security numbers; and citizenship/eligible non-citizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

### **12.1 ACCEPTABLE METHODS OF VERIFICATION**

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or for citizenship documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by third party verification. This type of verification includes written documentation with forms sent directly to and received directly by a source, not passed through the hands of the family. This verification may also be direct contact with the source, in person or by telephone. It may also be a report generated by a request from the Bedford Township Housing Commission or automatically by another government agency, i.e. the Social Security Administration. Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name date of contact, amount received, etc.

When third party verification cannot be obtained, the Bedford Township Housing Commission will accept documentation received from the applicant/tenant. Hand-carried documentation will be accepted if the Bedford Township Housing Commission has been unable to obtain third party verification in a 4-week period of time. Photocopies of the documents provided by the family will be maintained in the file.

When neither third party verification nor hand-carried verification can be obtained, the Bedford Township Housing Commission will accept a notarized statement signed by the head, spouse or co-head. Such documents will be maintained in the file.

### **12.2 TYPES OF VERIFICATION**

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. To obtain written third party verification, the Bedford Township Housing Commission will send a request form to the source along with a release form signed by the applicant/tenant via first class mail.

The Bedford Township Housing Commission will also verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the Bedford Township Housing Commission will mail information to the INS in order that a manual check can be made of INS records.

7. Family members who do not claim to be citizens, nationals, or eligible non-citizens must be listed on a statement of non-eligible members and the list must be signed by the head of the household.
7. Non-citizen students on student visas, though in the country legally, are not eligible to be admitted to public housing.
7. Any family member who does not choose to declare their status must be listed on the statement of non-eligible members.
- 8.
9. If no family member is determined to be eligible under this section, the family's eligibility will be denied.
7. The family's assistance will not be denied, delayed, reduced, or terminated because of a delay in the process of determining eligible status under this section, except to the extent that the delay is caused by the family.
7. If the Bedford Township Housing Commission determines that a family member has knowingly permitted an ineligible non-citizen (other than any ineligible non-citizens listed on the lease) to permanently reside in their public housing unit, the family will be evicted. Such family will not be eligible to be readmitted to public housing for a period of 24 months from the date of eviction or termination.

#### **12.4 VERIFICATION OF SOCIAL SECURITY NUMBERS**

7. Prior to admission, each family member who has a Social Security number and who is at least 6 years of age must provide verification of their Social Security number. New family members at least 6 years of age must provide this verification prior to being added to the lease. Children in assisted households must provide this verification at the first regular reexamination after turning six.
7. The best verification of the Social Security number is the original Social Security card. If the card is not available, the Bedford Township Housing Commission will accept letters from the Social Security Agency that establishes and states the number. Documentation from other

governmental agencies will also be accepted that establishes and states the number. Driver's licenses, military IDs, passports, or other official documents that establish and state the number are also acceptable.

7. If an individual states that they do not have a Social Security number, they will be required to sign a statement to this effect. The Bedford Township Housing Commission will not require any individual who does not have a Social Security number to obtain a Social Security number.
7. If a member of an applicant family indicates they have a Social Security number, but cannot readily verify it, the family cannot be housed until verification is provided.
- 8.
9. If a member of a tenant family indicates they have a Social Security number, but cannot readily verify it, they shall be asked to certify to this fact and shall have up to sixty (60) days to provide the verification. If the individual is at least 62 years of age, they will be given one hundred and twenty (120) days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be evicted.

#### ***12.5 TIMING OF VERIFICATION***

Verification information must be dated within ninety (90) days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Commission will verify all information related to family circumstances and level of assistance.

#### ***12.6 FREQUENCY OF OBTAINING VERIFICATION***

For each family member, citizenship/eligible non-citizen status will be verified only once. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their citizenship/eligible non-citizen status will be verified.

For each family member age 6 and above, verification of Social Security number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security number at admission receives a Social Security number, that number will be verified at the next regular reexamination. Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

## **13.0 DETERMINATION OF TOTAL TENANT PAYMENT AND TENANT RENT**

### **13.1 FAMILY CHOICE**

At admission and each year in preparation for their annual reexamination, each family is given the choice of having their rent determined under the income method or having their rent set at the flat rent amount.

7. A. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they would otherwise undergo.
7. B. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
  4. 1. The family's income has decreased.
  4. 2. The family's circumstances have changed increasing their expenses for child care, medical care, etc.
  4. 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.
- C. Families have only one choice per year except for financial hardship cases. In order for families to make informed choices about their rent options, the Bedford Township Housing Commission will provide them with the following information whenever they have to make rent decisions:
  1. The Bedford Township Housing Commission's policies on switching types of rent in case of a financial hardship; and
  2. The dollar amount of tenant rent for the family under each option. If the family chose a flat rent for the previous year, the Bedford Township Housing Commission will provide the amount of income-based rent for the subsequent year only the year the Bedford Township Housing Commission conducts an income reexamination or if the family specifically requests it and submits updated income information.

### **13.2 THE INCOME METHOD**

- 4.
5. The total tenant payment is equal to the highest of:
6.
  - A. 10% of the family's monthly income;
  - B. 30% of the family's adjusted monthly income; or
  - C. If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage; or
  - D. The minimum rent of \$50.00.

### **13.3 MINIMUM RENT**

The Bedford Township Housing Commission has set the minimum rent at \$50.00. If the family requests a hardship exemption, however, the Bedford Township Housing Commission will immediately suspend the minimum rent beginning the month following the family's request until the Housing Commission can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

- A. A hardship exists in the following circumstances:
  1. When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is a non-citizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;
  2. When the family would be evicted because it is unable to pay the minimum rent requirement;
  3. When the income of the family has decreased because of changed circumstances, including loss of employment; and
  4. When a death has occurred in the family.

- B. No hardship. If the Housing Commission determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.
- C. Temporary hardship. If the Housing Commission reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will be not be imposed for a period of 90 days from the beginning of the suspension of the minimum rent. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Commission will offer a repayment agreement in accordance with Section 19 of this policy for any rent not paid during the period of suspension. During the suspension period the Housing Commission will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.
- D. Long-term hardship. If the Housing Commission determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
- E. Appeals. The family may use the grievance procedure to appeal the Housing Commission's determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

#### **13.4 THE FLAT RENT**

The Bedford Township Housing Commission has set a flat rent for each public housing unit. In doing so, it considered the size and type of the unit, as well as its age, condition, amenities, services, and neighborhood. The Bedford Township Housing Commission determined the market value of the unit and set the rent at the market value. The amount of the flat rent will be reevaluated annually and adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied on the anniversary date for each affected family (for more information on flat rents, see Section 15.3).

The Bedford Township Housing Commission will post the flat rents at each of the developments and at the central office. Flat rents are incorporated in this policy upon approval by the Board of Commissioners.

There is no utility allowance for families paying a flat rent.

#### **13.5 RENT FOR FAMILIES UNDER THE NONCITIZEN RULE**

- 7. A mixed family will receive full continuation of assistance if all of the following conditions

are met:

- A. The family was receiving assistance on June 19, 1995;
- 4. B. The family was granted continuation of assistance before November 29, 1996;
- C. The family's head or spouse has eligible immigration status; and
- D. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

If a mixed family qualifies for prorated assistance but decides not to accept it, or if the family has no eligible members, the family may be eligible for temporary deferral of termination of assistance to permit the family additional time for the orderly transition of some or all of its members to locate other affordable housing. Under this provision, the family receives full assistance. If assistance is granted under this provision prior to November 29, 1996, it may last no longer than three (3) years. If granted after that date, the maximum period of time for assistance under the provision is eighteen (18) months. The Bedford Township Housing Commission will grant each family a period of six (6) months to find suitable affordable housing. If the family cannot find suitable affordable housing, the Bedford Township Housing Commission will provide additional search periods up to the maximum time allowable.

Suitable housing means housing that is not substandard and is of appropriate size for the family. Affordable housing means that it can be rented for an amount not exceeding the amount the family pays for rent, plus utilities, plus 25%.

The family's assistance is prorated in the following manner:

- A. Determine the 95<sup>th</sup> percentile of gross rents (tenant rent plus utility allowance) for the Bedford Township Housing Commission. The 95<sup>th</sup> percentile is called the maximum rent.
- B. Subtract the family's total tenant payment from the maximum rent. The resulting number is called the maximum subsidy.
- C. Divide the maximum subsidy by the number of family members and multiply the result times the number of eligible family members. This yields the prorated subsidy.

- D. Subtract the prorated subsidy from the maximum rent to find the prorated total tenant payment. From this amount subtract the full utility allowance to obtain the prorated tenant rent.

### **13.6 UTILITY ALLOWANCE**

7. The Bedford Township Housing Commission shall establish a utility allowance for all tenant-paid utilities. The allowance will be based on a reasonable consumption of utilities by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful environment. In setting the allowance, the Bedford Township Housing Commission will review the actual consumption of tenant families as well as changes made or anticipated due to modernization (weatherization efforts, installation of energy-efficient appliances, etc). Allowances will be evaluated at least annually as well as any time utility rate changes by 10% or more since the last revision to the allowances.

8.

The utility allowance will be subtracted from the family's income rent to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the Bedford Township Housing Commission. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. Any savings resulting from utility costs below the amount of the allowance belongs to the tenant.

1.

Utility allowance revisions based on rate changes shall be effective retroactively to the first day of the month following the month in which the last rate change took place. Revisions based on changes in consumption or other reasons shall become effective at the beginning of each Bedford Township Housing Commission fiscal year.

1.

Requests for relief from surcharges for excess consumption of Bedford Township Housing Commission purchased utilities or from payment of utility supplier billings in excess of the utility allowance for tenant-paid utility costs may be granted by the Bedford Township Housing Commission on reasonable grounds. Requests shall be granted to families that include an elderly member or a member with disabilities. Requests by the family shall be submitted under the Reasonable Accommodation Policy. Families shall be advised of their right to individual relief at admission to public housing and at time of utility allowance changes.

If the rent is not paid by the fourteenth of the month, a Notice to Vacate will be issued to the tenant. In addition, a 3% late charge for the unpaid balance will be assessed to the tenant. If rent is paid by a personal check and the check is returned for insufficient funds, this shall be considered a non-payment of rent and will incur the late charge plus an additional charge that will equal the charge to the Bedford Township Housing Commission from the bank for processing the returned check.

4. The Bedford Township Housing Commission shall identify all adult family members who are apparently not exempt from the community service requirement.
4. The Bedford Township Housing Commission shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The Bedford Township Housing Commission shall verify such claims.
4. The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after 10/1/2000. For family's paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

#### **14.4 VOLUNTEER OPPORTUNITIES**

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The Bedford Township Housing Commission will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

- 4.
5. Together with the resident advisory councils, the Bedford Township Housing Commission may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

#### **14.5 THE PROCESS**

4. At the first annual reexamination on or after October 1, 2000, and each annual reexamination thereafter, the Bedford Township Housing Commission will do the following:
  - A. Provide a list of volunteer opportunities to the family members.
  - B. Provide information about obtaining suitable volunteer positions.
  - C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.
  - D. Assign family members to a volunteer coordinator who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The volunteer coordinator will track the family member's progress monthly and will meet with the family member as needed to best encourage compliance.
  - E. Thirty (30) days before the family's next lease anniversary date, the volunteer coordinator will advise the Bedford Township Housing Commission whether each applicable adult family member is in compliance with the community service requirement.

#### **14.6 NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT**

4. The Bedford Township Housing Commission will notify any family found to be in noncompliance of the following:
5.
  - A. The family member(s) has been determined to be in noncompliance;
  - B. That the determination is subject to the grievance procedure; and
  - C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated;

7.

#### **14.7 OPPORTUNITY FOR CURE**

4. The Bedford Township Housing Commission will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the

family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns go toward the current commitment until the current year's commitment is made.

4. The volunteer coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis.
4. If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service by more than three (3) hours after three (3) months, the Bedford Township Housing Commission shall take action to terminate the lease.
- 5.

#### **14.8 PROHIBITION AGAINST REPLACEMENT OF AGENCY EMPLOYEES**

4. In implementing the service requirement, the Bedford Township Housing Commission may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by its employees, or replace a job at any location where residents perform activities to satisfy the service requirement.
- 5.

### **15.0 RECERTIFICATIONS**

At least annually, the Bedford Township Housing Commission will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family is housed in the correct unit size.

#### **15.1 GENERAL**

7. The Bedford Township Housing Commission will send a notification letter to the family letting them know that it is time for their annual reexamination, giving them the option of selecting either the flat rent or income method, and scheduling an appointment if they are currently paying a income rent. If the family thinks they may want to switch from a flat rent to a income rent, they should request an appointment. At the appointment, the family can make their final decision regarding which rent method they will choose. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an

accommodation of their needs.

- 8.
9. During the appointment, the Bedford Township Housing Commission will determine whether family composition may require a transfer to a different bedroom size unit, and if so, the family's name will be placed on the transfer list.

## **15.2 MISSED APPOINTMENTS**

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the Bedford Township Housing Commission taking eviction actions against the family.

## **15.3 FLAT RENTS**

The annual letter to flat rent payers regarding the reexamination process will state the following:

7. A. Each year at the time of the annual reexamination, the family has the option of selecting a flat rent amount in lieu of completing the reexamination process and having their rent based on the income amount.
7. B. The amount of the flat rent.
7. C. A fact sheet about income rents that explains the types of income counted, the most common types of income excluded, and the categories of allowances that can be deducted from income.
- 8.
9. D. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they otherwise would undergo.
7. E. Families who opt for the flat rent may request to have a reexamination and return to the income-based method at any time for any of the following reasons:
  4. 1. The family's income has decreased.
  4. 2. The family's circumstances have changed increasing their expenses for child care, medical care, etc.

4. 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.
7. F. The dates upon which the Bedford Township Housing Commission expects to review the amount of the flat rent, the approximate rent increase the family could expect, and the approximate date upon which a future rent increase could become effective.
7. G. The name and phone number of an individual to call to get additional information or counseling concerning flat rents.
7. H. A certification for the family to sign accepting or declining the flat rent.
- 8.
9. Each year prior to their anniversary date, Bedford Township Housing Commission will send a reexamination letter to the family offering the choice between a flat or an income rent. The opportunity to select the flat rent is available only at this time. At the appointment, the Bedford Township Housing Commission may assist the family in identifying the rent method that would be most advantageous for the family. If the family wishes to select the flat rent method without meeting with the Bedford Township Housing Commission representative, they may make the selection on the form and return the form to the Bedford Township Housing Commission. In such case, the Bedford Township Housing Commission will cancel the appointment.

#### **15.4 THE INCOME METHOD**

7. During the interview, the family will provide all information regarding income, assets, expenses, and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.
7. Upon receipt of verification, the Bedford Township Housing Commission will determine the family's annual income and will calculate their rent as follows.
- 8.
9. The total tenant payment is equal to the highest of:
  - 10.
  - A. 10% of monthly income;
  - B. 30% of adjusted monthly income;
  - C. The welfare rent; or
  - D. The minimum rent.

### **15.5 EFFECTIVE DATE OF RENT CHANGES FOR ANNUAL REEXAMINATIONS**

7. The new rent will generally be effective upon the anniversary date with thirty (30) days notice of any rent increase to the family.
7. If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.
7. If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

### **15.6 INTERIM REEXAMINATIONS**

Families will be required to report any increase in income or decrease in allowable expenses between annual reexaminations.

7. Families are required to report the following changes to the Bedford Township Housing Commission between regular reexaminations. If the family's rent is being determined under the income method, these changes will trigger an interim reexamination. The family shall report these changes within ten (10) days of their occurrence.
  4. A. A member has been added to the family through birth or adoption or court-awarded custody.
  - 5.
  6. B. A household member is leaving or has left the family unit.

In order to add a household member other than through birth or adoption (including a live-in aide), the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The Bedford Township Housing Commission will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening

criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the income method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with Section 15.8.

### ***15.7 SPECIAL REEXAMINATIONS***

If a family's income is too unstable to project for twelve (12) months, including families that temporarily have no income (0 renters) or have a temporary decrease in income, the Bedford Township Housing Commission may schedule special reexaminations every sixty (60) days until the income stabilizes and an annual income can be determined.

### ***15.8 EFFECTIVE DATE OF RENT CHANGES DUE TO INTERIM OR SPECIAL REEXAMINATIONS***

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

7. If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.
7. If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.
- 8.

## **16.0 UNIT TRANSFERS**

### ***16.1 OBJECTIVES OF THE TRANSFER POLICY***

The objectives of the Transfer Policy include the following:

1. A. To address emergency situations.
1. B. To fully utilize available housing resources while avoiding overcrowding by insuring that each family occupies the appropriate size unit.

1. C. To facilitate a relocation when required for modernization or other management purposes.
1. D. To facilitate relocation of families with inadequate housing accommodations.
1. E. To provide an incentive for families to assist in meeting the Bedford Township Housing Commission's deconcentration goal.
1. F. To eliminate vacancy loss and other expenses due to unnecessary transfers.

## **16.2 CATEGORIES OF TRANSFERS**

1. Category A: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.
1. Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization work to proceed.
1. Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Bedford Township Housing Commission occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Bedford Township Housing Commission when a transfer is the only or best way of solving a serious problem.

## **16.3 DOCUMENTATION**

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

## **16.4 PROCESSING TRANSFERS**

4. Transfers on the waiting list will be sorted by the above categories and within each category by date and time.
4. Transfers in category A and B will be housed ahead of any other families, including those on the

applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.

4. Transfers in category C will be housed along with applicants for admission at a ratio of one transfer for every seven admissions.
4. Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) days of being informed the unit is ready to rent. The family will be allowed seven (7) days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.
- 5.
6. The following is the policy for the rejection of an offer to transfer:
- 7.
8. A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- 9.
10. B. If the transfer is being made at the request of the Bedford Township Housing Commission and the family rejects two offers without good cause, the Bedford Township Housing Commission will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the Bedford Township Housing Commission's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.
- 11.
12. C. If the transfer is being made at the family's request and the rejected offer provides deconcentration incentives, the family will maintain their place on the transfer list and will not otherwise be penalized.
- 13.
- D. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer that does not include deconcentration incentives. After turning down a second such offer without good cause, the family's name will be removed from the transfer list.

## **16.5 COST OF THE FAMILY'S MOVE**

7. The cost of the transfer generally will be borne by the family in the following circumstances:
  - 8.
  9. A. When the transfer is made at the request of the family or by others on behalf of the family (i.e. by the police);

4. B. When the transfer is needed to move the family to an appropriately sized unit, either larger or smaller;
4. C. When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved (The family without disabilities signed a statement to this effect prior to accepting the accessible unit); or
4. D. When the transfer is needed because action or inaction by the family caused the unit to be unsafe or uninhabitable.
7. The cost of the transfer will be borne by the Bedford Township Housing Commission in the following circumstances:
  - A. When the transfer is needed in order to carry out rehabilitation activities; or
  4. B. When action or inaction by the Bedford Township Housing Commission has caused the unit to be unsafe or inhabitable.
  - 6.
  7. The responsibility for moving costs in other circumstances will be determined on a case by case basis.

## **16.6 TENANTS IN GOOD STANDING**

When the transfer is at the request of the family, it will not be approved unless the family is in good standing with the Bedford Township Housing Commission. This means the family must be in compliance with their lease, current in all payments to the Housing Commission, and must pass a housekeeping inspection.

## **16.7 TRANSFER REQUESTS**

4. A tenant may request a transfer at any time by completing a transfer request form. In considering the request, the Bedford Township Housing Commission may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The Bedford Township Housing Commission will review the request in a timely manner and if a meeting is desired, it shall contact the tenant within ten (10) business days of receipt of the request to schedule a meeting.
- 5.
6. The Bedford Township Housing Commission will grant or deny the transfer request in writing within ten (10) business days of receiving the request or holding the meeting, whichever is later.

4. If the transfer is approved, the family's name will be added to the transfer waiting list.
4. If the transfer is denied, the denial letter will advise the family of their right to utilize the grievance procedure.

#### ***16.8 RIGHT OF THE BEDFORD TOWNSHIP HOUSING COMMISSION IN TRANSFER POLICY***

The provisions listed above are to be used as a guide to insure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

### **17.0 INSPECTIONS**

An authorized representative of the Bedford Township Housing Commission and an adult family member will inspect the premises prior to commencement of occupancy. A written statement of the condition of the premises will be made, all equipment will be provided, and the statement will be signed by both parties with a copy retained in the Bedford Township Housing Commission file and a copy given to the family member. An authorized Bedford Township Housing Commission representative will inspect the premises at the time the resident vacates and will furnish a statement of any charges to be made provided the resident turns in the proper notice under State law. The resident's security deposit can be used to offset against any Bedford Township Housing Commission damages to the unit.

#### ***17.1 MOVE-IN INSPECTIONS***

The Bedford Township Housing Commission and an adult member of the family will inspect the unit prior to signing the lease. Both parties will sign a written statement of the condition of the unit. A copy of the signed inspection will be given to the family and the original will be placed in the tenant file.

#### ***17.2 ANNUAL INSPECTIONS***

The Bedford Township Housing Commission will inspect each public housing unit annually to ensure that each unit meets the Bedford Township Housing Commission's housing standards. Work orders will be submitted and completed to correct any deficiencies.

### ***17.3 PREVENTATIVE MAINTENANCE INSPECTIONS***

This is generally conducted along with the annual inspection. This inspection is intended to keep items in good repair. It checks weatherization; checks the condition of the smoke detectors, water heaters, furnaces, automatic thermostats and water temperatures; checks for leaks; and provides an opportunity to change furnace (on a quarterly basis) filters and provide other minor servicing that extends the life of the unit and its equipment.

### ***17.4 SPECIAL INSPECTIONS***

A special inspection may be scheduled to enable HUD or others to inspect a sample of the housing stock maintained by the Bedford Township Housing Commission.

### ***17.5 HOUSEKEEPING INSPECTIONS***

Generally, at the time of annual reexamination, or at other times as necessary, the Bedford Township Housing Commission will conduct a housekeeping inspection to ensure the family is maintaining the unit in a safe and sanitary condition.

### ***17.6 NOTICE OF INSPECTION***

For inspections defined as annual inspections, preventative maintenance inspections, special inspections, and housekeeping inspections the Bedford Township Housing Commission will give the tenant at least two (2) days written notice.

### ***17.7 EMERGENCY INSPECTIONS***

If any employee and/or agent of the Bedford Township Housing Commission has reason to believe that an emergency exists within the housing unit, the unit can be entered without notice. The person(s) that enters the unit will leave a written notice to the resident that indicates the date and time the unit was entered and the reason why it was necessary to enter the unit.

### ***17.8 PRE-MOVE-OUT INSPECTIONS***

When a tenant gives notice that they intend to move, the Bedford Township Housing Commission will offer to schedule a pre-move-out inspection with the family. The inspection allows the Bedford Township Housing Commission to help the family identify any problems which, if left uncorrected, could lead to vacate charges. This inspection is a courtesy to the family and has been found to be helpful both in reducing costs to the family and in enabling the Bedford Township Housing Commission to ready units more quickly for the future occupants.

## ***17.9 MOVE-OUT INSPECTIONS***

The Bedford Township Housing Commission conducts the move-out inspection after the tenant vacates to assess the condition of the unit and determine responsibility for any needed repairs. The tenant or his/her representative is required to be present. This inspection becomes the basis for any claims that may be assessed against the security deposit.
